 Schedule of Points for Division #6
 Effective May 13, 2009

Division 6 is comprised of: COLORADO, IOWA, KANSAS, MINNESOTA, MISSOURI, NEBRASKA and WISCONSIN.

The points towards a Championship shall be awarded to Winners Dog and Bitch of each breed or variety of breed based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of BOTH sexes that have been entered for Best of Breed competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of his own sex that have been entered for Best of Breed competition and that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog or Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In calculating the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused, or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows, with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.
