### AKC OWNER-HANDLED SERIES

The AKC Owner/Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers. *Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay or received payment for handling a dog within the last five years*

- Professional handlers, household members & current assistants to professional handlers may not exhibit (see definition above of a professional handler). A current assistant is defined as anyone employed by a professional handler on a full-time basis or assisting a professional handler at the show or any show during the cluster/weekend.
- Exhibitors must declare their dog is Owner/Handled eligible at the time of entry using the check box on the entry form.
- The handler must be an owner of record according to the AKC's records as of the date of the show.
- Dogs declared eligible will be identified by an asterisk or other representative mark in the steward's book, in the show catalog and in the judge's book.
- Dogs must be handled by an eligible owner-handler eligible for the AKC National Owner-Handled Series through the breed level competition for the regular show. This includes the class competition & subsequent competition in the breed ring. Additionally, dogs must be handled by an eligible owner/handler for all AKC National Owner-Handled Series competition.
- The Owner/Handled Best of Breed will be selected from the eligible dogs that competed in the Best of Breed/Variety competition for the regular show.
